AURUM Africa imports from Africa and distributes throughout Europe valuable oils for face and body skin care (Marula, Mongongo, Ximenia, Avocado, Baobab ...), essential oils (tea tree and rose geranium).

A range of exclusive products rich in nutrients, moisturizers and anti-aging that we employ in creating a natural cosmetic line for face and body skin care.

Strict quality controls guarantee the purity of the products we sell.

AURUM Africa is the synthesis of experience and skills acquired by two companies – Cetacea Service srl / Italy and Gafpro / Germany – active for years in fair and sustainable trade with some Southern Africa countries.

The company was created in 2016 to meet the needs of a market increasingly devoted to natural products.

The Marula oil is an exceptional key player: Rare, Pure, 100% Natural and COSMOS ORGANIC certified by ECOCERT Greenlife according to Cosmos Standard
